Dear Parents,

We hope that all our families are staying safe and healthy as we are dealing with the Coronavirus situation. Per the orders of our Governor, our day care must remain closed until at least April 30. We do not know if this order will be extended into May. At this time the Center can not reopen until further notice. We will keep you posted as we learn new information from local and state officials and the CDC.

Questions have been raised about whether the Center will be applying for a waiver to reopen. At this time we are not. There are certain guidelines that have to be met in order to reopen under this waiver. For example, only essential workers can bring their children to the Center, such as medical workers, postal workers, grocery workers and waste management, etc.

If you are seeking temporary care during this time, there are a few Centers that are open. Please reach out to Sarah Grubb, everyday interaction Design Strategist. She can help locate open Centers in the area. Her telephone number is 412-339-9832 and email sarah.elrc5@alleghenycounty.us.

God Bless,

Sister Janet
