Sister Andrea became acquainted with our sisters who were studying in Lithuania. She was admitted to the community by her cousin, Mother M. Aloysia, with the consent of the council.

Together with our teaching Sisters she accepted assignments in Kenosha, Detroit, East St. Louis, Mahanoy City, DuBois, Rochester, South Side, Grand Rapids, Esplen and Philadelphia until her retirement when she returned to the Motherhouse. One of her greatest moments was becoming a naturalized citizen of the United States.
