Sister Margarida was a committed member of the community for 59 years. Her religious life was one of complete dedication to the community and to the People of God.

Her ministry of education included roles as both teacher and principal. She served in Leadership roles as Councilor, Secretary and Treasurer. She served the Brazil Region as Directress of Novices, and later as Regional Superior as well as Provincial Councilor.

During her ministry in the parishes in which she served, she faithfully led various Bible study groups and lectured on Biblical themes to various groups.

During her time spent in the United States, her command of the English language proved most useful to the congregation, especially in her assignment as Secretary. She also served as "translator" when needed.

Sister found enjoyment in reading, listening to classical music and playing the violin. She was a model of true religious living and will be remembered for her great desire to know and love the Gospel.

After experiencing serious health concerns, Sister Margarida's condition worsened and on January 2, 2006, with her sisters beside her in prayer, she was embraced by Sister Death.
